

## ACCESSIBLE PARKING – IMPORTANT INFORMATION

Only 1/3 of all accessible parking in Lot B is allocated for pre-sale. The remaining 2/3 will be available for purchase on the night of the show on a first-come, first-served basis (cash only; exact change please). Accessible parking tends to sell out. We recommend you arrive at least two hours prior to your show. Parking lots open four hours prior to show time.

Please be advised that LAPD and DOT traffic officers monitor our accessible parking lots from time to time. To avoid a citation, we recommend that you bring your DMV-issued Disabled Person (DP) identification along with a current displayed DP placard, or your corresponding paperwork issued by the DMV for your vehicle's DMV-issued DP or Disabled Veteran (DV) license plate. You are personally and solely responsible for any citations issued by an LAPD or DOT traffic officer on your vehicle. If all accessible parking is sold out, you will be directed to a Shuttle lot with accessible service to the Bowl.
